- Higher limits available upon request
- Paper provided by certain Lloyds of London Syndicates, rated A+ (Superior) by AM Best

Coverage Enhancements

- Breach Costs Coverage
- Contingent and Dependent Business Interruption
- Breach Costs Outside the Limit
- System Failure and Contingent System Failure
- Betterment
- Social Engineering
- Bricking

What Makes Us Different

My-CHOICE™ Breach Response Amended Endorsement

The Insured has ability to use their own breach response vendor(s) outside of the Insurer's approved panel with insurer's prior written consent.

- **Eliminates breach-of-contract litigation**
- **Avoids disruption to trusted relationships**

Post Incident Response Penetration Test Endorsement

Up to \$25,000 for post-incident penetration testing by Offensive Security Certified Professional (OSCP).

- **Verified remediation to avoid future incidents**
- **Assurance for insurers so you can receive the best renewal pricing, terms, and conditions**

Concierge Cyber Membership

Tap into the expertise of proven insurance consiglieri for high-level strategy and confidential counsel.

- **One-time vulnerability scan**
- **Claims advocacy to avoid delayed payments or partial payout**
- **Post-loss review of all P&C lines of insurance to maximize insurance recovery**
